## Today's Game

# Tigers, Hornets Battle Billed as Cellar Clash

Fort Hays State and Emporia State clash today in Fort Hays State's annual Homecoming game, with an overflow crowd of more than 7,000 expected.

The game is bound to be billed as a battle for the cellar in the Central Intercollegiate Conference. FHS and E-State both have two losses and no victories in CIC play this year. Following this game, Emporia still must face an impressive Pittsburg State team, while FHS has yet to meet Washburn's ambitious Ichabods.

So today's game could well determine the last two spots in the five-team conference standings, though a later upset would boost either team a notch.

Fort Hays State seeks its first win of the season today, shackled thus far with a tie and four straight losses.

Emporia State has a 2-4 record for the season, with victories over Southern Colorado, 21-20, and Central Missouri, 13-7. Losses were to Southwest Missouri, 14-0; Central Oklahoma, 20-0; Washburn, 32-6, and Omaha, 27-13.

Last year it was the E-State Hornets who kept FHS from a share of the CIC championship. They upset the favored Tigers, 14-13, at Emporia the week after the Tigers had bumped Pittsburg State to move into title contention.

Guiding Coach Keith Caywood's Hornets is the top passer in the CIC thus far, senior quarterback Don Wrench. The former Lawrence star is averaging 108 yards per game through the air and 113 per outing in total offense. He also leads the latter category in CIC statistics.

Meyers' favorite target is the league's leading pass receiver, Ray Schrick. Schrick is far ahead of the other receivers with 23 catches for 343 yards in six games.

Another star in Emporia's swarm of Hornets is Jim Anderson, the fourth-ranked CIC rusher. The 230-pound fullback did the greatest damage to the Tigers in last year's contest.

Bill Eikermann, 215-pound junior tackle, is the top star in the E-State line. He was a first-team all-CIC defensive choice last fall.

Fort Hays State hopes to counter with a determined Homecoming showing this afternoon. To do so, the Bengals will have to offset the effect of a rash of injuries that has plagued the squad from the season's start.

Such injured performers as linebacker Jesse Kennis, out since the second game; halfback Charlie Canty, who missed last week's fray at Pittsburg State, and quarterback Max VanLaningham, also out last week, may be back in action this week.

But the Tigers will be without starters Larry Bates, safety, and Ken Palmgren, center, as both have been checked in for the season after suffering head injuries last Saturday.

Freshman Bob Johnson, the Tiger starter last week, will again direct the Stater offense.

## Next Week

Fort Hays State will show its appreciation to local businessman who provide athletic grants and employment next Saturday night—the college will honor these backers at the annual Guest Night game. The opponent for the 7:30 p.m. contest will be a new one, Southern Colorado State of Pueblo, Colo. The Indians played as Pueblo Junior College until becoming a four-year school this fall. They have held CIC foes Washburn and Emporia to 7-0 and 21-20 victories, respectively, but fell 46-0 to Pittsburg.

# Welcome from President Cunningham

I extend a personal welcome to each and every one of you, and I hope you enjoy the game and all of the Homecoming events. We are happy to have so many alumni on campus today. Your attendance and participation in the Homecoming activities are an indication of your loyalty to your Alma Mater. We hope Fort Hays State will always merit the friendship, good will, confidence and support of its alumni and friends.

Our college has grown so much in the last few years, it is impossible for me to greet each of you individually, but I do want you to feel welcome and as much a part of Fort Hays State as you did when you were students here.

At five o'clock this afternoon we are dedicating four buildings and honoring Edwin Davis, Robert T. McGrath, Maude McMendes and Charles Fisher Wiest. The ceremonies will take place simultaneously, and we hope you can attend one of these.

You are always welcome on this campus.

*M. C. Cunningham*

# Seventh Annual 'Busch' Gross Award

Athletic Director Paul "Busch" Gross, a native of Hays, served as a Tiger athlete from 1917 through 1921, was head FHS basketball coach from 1930 through 1946 and has been athletic director since 1930. He is in his 34th year on the FHS faculty.

It is in recognition of this lifetime of service to Fort Hays State College that the Busch Gross Award is given each year at the Homecoming game.

The award honors the outstanding senior athlete of the past school year, with a committee making the selection on the basis of character, leadership, scholarship and athletic achievement. The award today will be announced before the opening kickoff, with Harold Stones, Alumni Assn. executive secretary, making the presentation.

## A Word of Welcome from Alumni, Endowment Associations

### THE CHALLENGE OF "CENTURY 21"

On behalf of Alumni President Pete Haas and your Alumni Assn. Board of Directors, I want to give a very special welcome to each alumnus returning for Homecoming 1963.

Please feel completely at home and take a good look at all the progress constantly going on at Fort Hays State.

Your Alumni Assn. takes great pride in its attitude of service. If there is any way we may be able to serve you, please let me know. We, in turn, encourage every alumnus, be he a graduate or former student, to show his active loyalty by becoming an Active or Life Member of the Alumni Assn.

I'm sure you noticed at the parade this morning that this year's Homecoming theme is "Century 21." Your Alumni Assn. is also thinking in these future terms. With your help and interest, the future can hold tremendous opportunities for your college. Will you help us meet this challenge?

Harold A. Stones '58  
Executive Secretary  
Fort Hays Alumni Assn.

### OATS TO MAKE THE MARE GO

"It takes a lot of oats to make the mare go!"

While this old adage may be considered "corny" by some, it is an appropriate illustration. The efforts of your Endowment Assn. are directed toward providing adequate "go-power" at Fort Hays State.

Your Endowment Assn. is interested in and works with many groups of people and on many phases of the ever-expanding program at Fort Hays State. One of the major financial assistance areas is known as Student Aids. These aids usually are in the form of money for scholarships, grants, on-campus jobs or loans.

During the 1962-63 school year, more than 1,900 student benefits were derived from the Student Aids program. This represented over \$400,000 in expenditures. Much of this money came from state and federal tax sources. However, more than \$70,000 came in the form of private money—gifts from individuals, businesses and organizations.

The Endowment Assn. will be able to assist in the continued growth of Fort Hays State in direct proportion to the interest and support received from alumni and friends of the college.

We welcome you to this gala Homecoming event and earnestly solicit your personal contribution toward a greater Fort Hays State.

Kent Collier '40  
Executive Secretary  
The Endowment Assn.

# Tiger Football Band Performs at Halftime Today

Fort Hays State's football marching band, directed by Lyle Dilley, will perform at halftime today. The marching unit is made up of 107 members, including the twirlers and the new Bannerettes flag corps.

Sharing the halftime festivities will be the marching band from Emporia State, a 90-member aggregation directed by Milburn Nixon.

Both bands also marched in the Homecoming parade through downtown Hays today.

Dilley is in his third year as director of bands at Fort Hays State, where he also serves as an assistant professor of music. He came to Hays after 10 years at Wellington High School.

Dilley originated the Bannerettes flag corps this year. The colorful group of more than 20 coeds, bearing black and gold flags, is appearing at its third Tiger football game this season.

Penny Edwards—"MISS TIPARILLO."

## What does she mean "cigars...cigarettes...Tiparillos"?

You'll be hearing that chant more and more—now that Tiparillos have arrived. And arrived they have. In all the right places. With all the right people.

The new Tiparillo has a neat, trim shape. It looks young and debonair. And its pearly, pliable tip pays more than lip service to your smoking pleasure.

And never before such mildness! The most careful blending of choicest imported tobaccos has seen to that. So, too, has the exclusive, veinless Ultra Cigar Wrapper\* that burns so evenly and smoothly it insures complete mildness.

You can even see the mildness. The

surprisingly whiter ash is visible evidence. Smoker's proof. Here is flavor you don't have to inhale to enjoy.

"Cigars . . . cigarettes . . . ?" Who knows, maybe someday it will be just "Tiparillos!"

Why don't you ask for one today?

# Tiger, Hornet Defensive Starters---Unsung Heroes

Under the unlimited substitution rules followed by members of the National Association of Intercollegiate Athletics, most NAIA teams—including tonight's two opponents—employ the platoon system, using as many players as possible. For this reason, defensive starters become "first team" players just as much as the more publicized offensive stars. Because the centerspread of this program does not permit listing defensive starters, they are presented here:

To its glory our voices swell.

### Chorus:

Hail to old Fort Hays State!  
Let your voices ring.  
Praise for the Black and Gold  
We will ever sing.  
Long may our valor last  
Through the future days,  
Hon'ring and praising  
Dear Fort Hays.

In the years that lie before us  
We foresee our land's many needs.  
Through the efforts of new generations,  
We'll go on to more noble deeds.

## The School . . .

Kansas State Teachers College is the largest and oldest of the three smaller state-supported institutions of higher learning in Kansas.

Emporia State celebrated its centennial last year with a record enrollment of more than 4,900. This year that figure slipped slightly, but still leads the Kansas colleges.

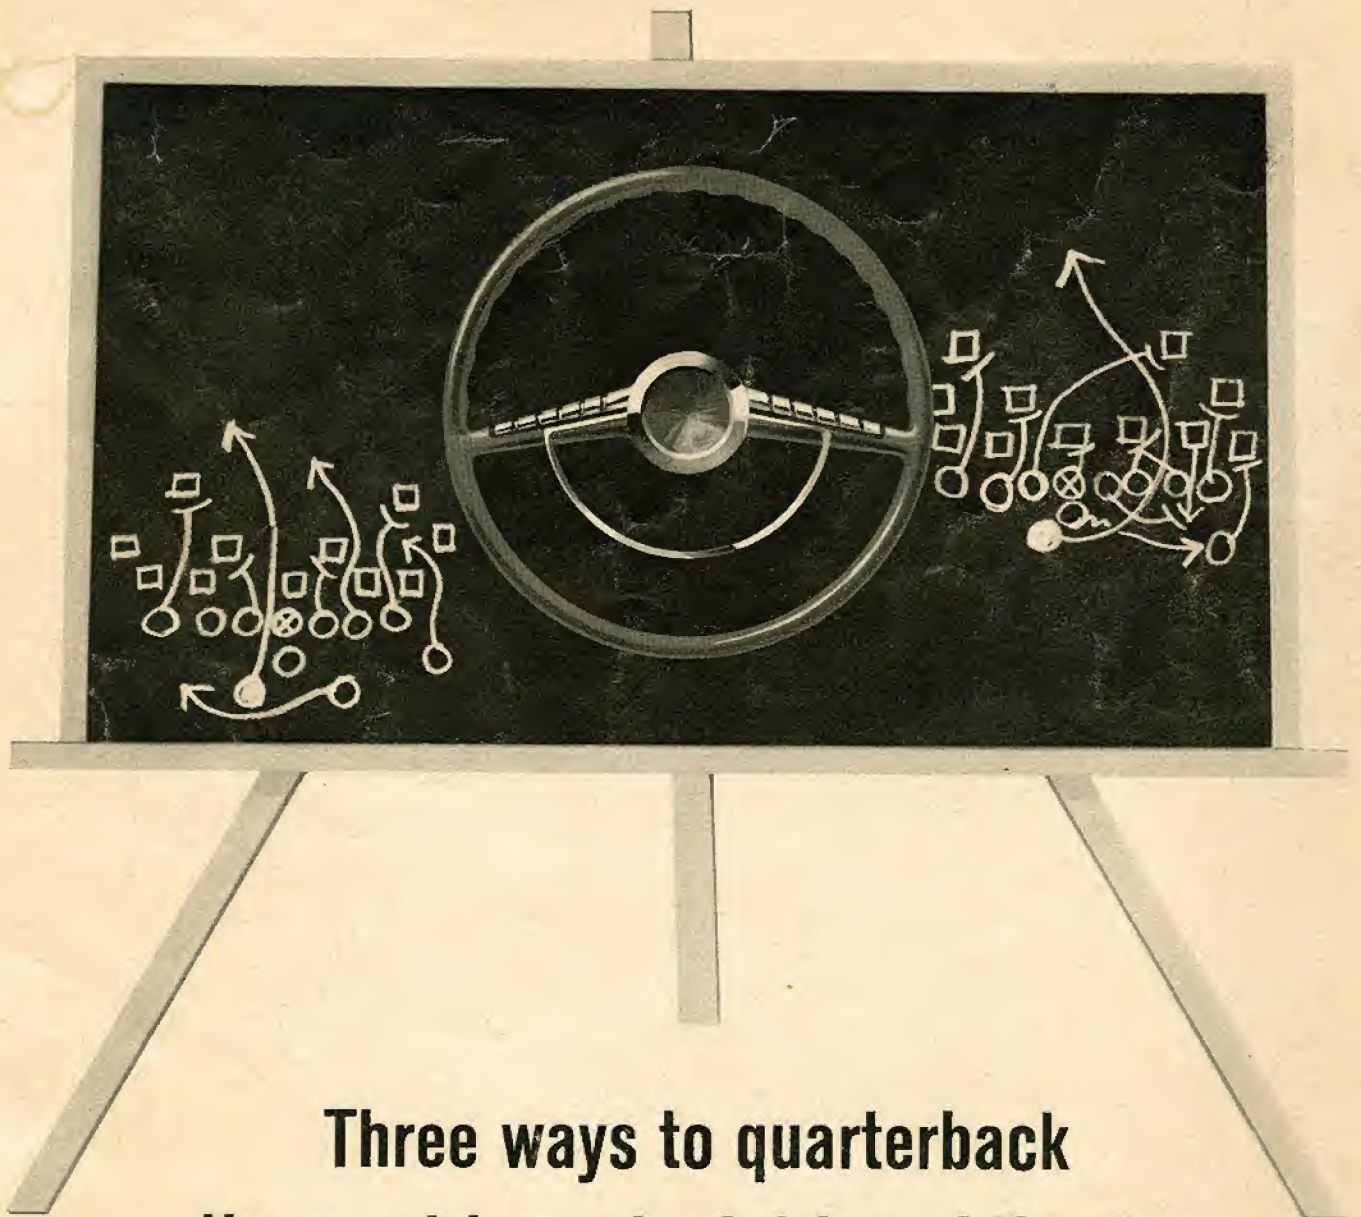

The college has also led all other Kansas institutions in the certification of teachers for Kansas schools every year since 1948, when such figures were first compiled.

E-State features a wide-spread enrollment that includes students from 103 Kansas counties, 35 states and 26 foreign countries. Men outnumber women in a 3-2 ratio.

In addition to the teacher preparation program, both undergraduate and graduate, the college offers certain pre-professional course sequences and a liberal arts degree program.

Fort Hays State began its existence in 1902 as a branch of Emporia State, dropping the affiliation in 1913.

## Three ways to quarterback the most important drive of the day —your drive home

1. Don't buck the line of traffic, stay in it. Fancy open field running doesn't pay on the highway.
2. When dusk falls and your visibility is limited, slow down and turn on your lights. What you can't see can hurt you.
3. Don't try to beat the clock by speeding. Remember, when time runs out on the highway, everybody loses.
